Fit For Fun Center *The coolest pad in town!*

The Fit For Fun Center is an interactive play facility for children ages five and under and their adult companions.

We offer an age-appropriate play environment that encourages education, physical activity, social interaction and self-expression.

Our goal is to provide families an inclusive play space for
fitness, fun, and fellowship.

There are indoor play areas, an art room, snack table, water table, and a shaded, fully fenced outdoor play island. Popular activities include obstacle courses, music, painting, parachute play, and special events throughout the year.

Children and adults alike are encouraged to release their imaginations and
play with a purpose!
